Habitat for Humanity Heartland Ontario will move a House from London to Ingersoll

May 1, 2018, London, Ontario - Habitat for Humanity Heartland Ontario will be physically moving a house on May 16, 2018 from London to Ingersoll.

Habitat for Humanity Heartland received a generous donation of an entire house from owners who have plans for the land on which is now sits. Rather than demolishing the home which is in great condition, it will become the new home of an eligible family in Ingersoll. In this way Habitat for Humanity Heartland Ontario is serving the community while also making a positive impact on the environment.

On May 16, 2018 the house will be lifted from its current location at 1018 Gainsborough Road in London and transported to 155 Margaret Street in Ingersoll. The proceedings will be broadcast via Country 104 radio's Live Remote feed.

Interested onlookers are welcome to watch this unusual sight from the parking lot of Unger's Market starting at 8:30am. The house should arrive in Ingersoll within a few hours and well-wishers are invited to join the celebration of the home's arrival with a reception starting at 11am at Henderson Hall, 133 John Street, Ingersoll.
