

We build strength, stability and self-reliance.

Habitat for Humanity Heartland Ontario ReStore Grand Opening in Stratford

September 7, 2018, Stratford, Ontario - Habitat for Humanity Heartland Ontario invites the public to attend the Grand Opening of the Stratford ReStore on Saturday, September 15, 2018 from 11:00am to 3:00pm at its new location: 598 Lorne Ave. East, Stratford.

Store hours are 9am to 4pm, with a BBQ starting at 11:00am, ceremony and recognition starting at 12:30pm. Community members are encouraged to drop in for the festivities and for sales throughout the store. The ReStore has been open for business at this location for several weeks but this is an opportunity to mark the occasion. All are welcome to join the celebration.

Gerry Pieroni, General Manager, ReStore said, "We are grateful to the many loyal community members who have shopped, donated and volunteered at the Stratford ReStore since its opening in 2003. Our new location has more space to display all of our product and help customers easily move throughout the store. We believe that our existing customers will welcome the change and newcomers will be encouraged to shop at the ReStore."

Habitat for Humanity ReStores are home and building supply stores that accept and resell quality new and used building materials, as well as furniture, appliances and home accessories to the public. Shopping at a Habitat ReStore is a socially conscious decision, as the money generated is used to fund local Habitat for Humanity homebuilding projects and operations. It's also an environmentally conscious decision, as much of what is sold is product that is new, gently used or customer returns that might otherwise end up in a landfill.

Habitat for Humanity Heartland Ontario continues to value existing relationships in the community and seeks to build new ones with individuals and organizations who share our vision of a world where everyone has a safe and decent place to live. Please come and celebrate with us.
